

Make your own hand-held Singapore flag!

Materials needed:

- Printed 'Make your own hand-held SG flag' template
- Sticky tape or glue
- Scissors
- Markers or coloured pencils
- Any A4 paper (plain or recycled), straw or stick

Instructions:

1. Colour the top half of the flag red, excluding the moon and five stars (tip: refer to the image below for reference!)
2. Cut out the the flag and along the perimeter of the dotted lines
3. [If not using straw or stick] To create your own stick, use a piece of A4 paper and roll along the horizontal end. Tape it together with sticky tape!
4. Now, fold and glue the dotted line area to your straw or stick to seal it.
