

Checklist for Singaporeans/PRs Returning Home

Singaporeans and PRs will always be welcome home. To assist you with your return journey, we at the [Singapore Global Network](#) have prepared a checklist for you.

Please take note of Singapore's latest **border control measures** on ICA's website.

All long-term pass holders will require **entry approval** before entering or returning to Singapore from 29 Mar, 11.59pm.

Travellers (residents and long-term pass holders included) will have to submit their declaration via the **SG Arrival Card (SGAC) e-Service**.

Comply with requests for **nasal swab tests** at immigration checkpoints if you are asked to, even if you are asymptomatic.

It is mandatory for all Singaporeans, permanent residents and long-term pass holders arriving from 9 Apr, 11.59pm onwards to stay at dedicated hotels for the duration of their SHN period, with the exception of those arriving from Australia (excluding state of Victoria), Brunei Darussalam, Macao SAR, mainland China, New Zealand, Republic of Korea, Taiwan and Vietnam who will serve their SHN at their own place of residence.

Those who are affected do not need make any bookings. You may contact the SHN helpline at +65 6812 5555 for more information.

Refer to **our FAQs** for more info.

Maintain a record of who you come into close contact with, in particular when travelling to designated testing facility for COVID-19 test, according to your scheduled appointment slot and venue. E.g. Take note of the taxi or private hire vehicle number / scan SafeEntry QR codes where available.

Many countries have imposed entry restrictions and border closures. Please refer to the **International Air Transport Association (IATA) Travel Centre website** when planning your travel routes.
